

Paid Time Off and Leave Policy

Document owner: People Operations Version 6.1, effective 2026-03-01 Applies to: all TechLance Solutions employees

Paid Time Off (PTO)

TechLance uses a single combined PTO bank. Vacation and personal days are not tracked separately. Sick leave is tracked separately and is described below.

Accrual

Years of continuous service	Annual PTO accrual
0 to 2 years	15 days
3 to 5 years	20 days
6 to 9 years	25 days
10 or more years	30 days

PTO accrues monthly at one twelfth of the annual rate, beginning in the first full month of employment. Part-time employees accrue on a pro-rated basis by scheduled hours.

Using PTO

Requests are submitted in the People Operations portal and require manager approval. Submit requests at least 10 business days in advance for absences of three or more consecutive days. Shorter notice is accommodated where coverage allows.

Managers may decline a request for business coverage reasons. A declined request must include a stated reason and, where possible, an alternative window.

Carryover

Employees may carry over a maximum of **5 unused PTO days** into the following calendar year. Carried days must be used by March 31 or they are forfeited. Balances above 5 days as of December 31 are forfeited and are not paid out.

Upon separation, accrued and unused PTO is paid out at the final rate of pay, subject to state law.

Sick leave

Sick leave is separate from PTO and does not draw down the PTO bank.

Full-time employees receive **10 sick days per calendar year**, available in full on January 1 rather than accrued monthly. New hires receive a pro-rated allotment based on start month.

Sick leave may be used for the employee's own illness, a medical appointment, or to care for an immediate family member. A medical note is required for absences of four or more consecutive working days.

Unused sick leave does not carry over and is not paid out on separation.

Company holidays

TechLance observes 11 paid holidays annually:

New Year's Day, Martin Luther King Jr. Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving, Christmas Eve, Christmas Day, and one floating holiday of the employee's choosing.

The floating holiday must be used within the calendar year and does not carry over.

Employees required to work a company holiday for client coverage receive an alternate day off, scheduled with their manager within 60 days.

Parental leave

Birthing parents receive **16 weeks paid leave**. Non-birthing parents, including adoptive and foster parents, receive **8 weeks paid leave**. Leave must be taken within 12 months of the birth or placement.

Parental leave runs concurrently with any statutory leave entitlement. Employees remain enrolled in benefits throughout, and employer contributions continue.

Eligibility requires 12 months of continuous service at the time leave begins.

Bereavement leave

Five paid days for the death of an immediate family member (spouse or partner, child, parent, sibling, grandparent, or grandchild). Two paid days for extended family. Additional unpaid time may be arranged with the manager.

Jury duty and civic obligation

Paid in full for the duration of service. Employees must provide the summons to their manager and People Operations.

Unpaid leave of absence

Requests for unpaid leave beyond the categories above are evaluated individually. **These requests require review by People Operations and cannot be approved by a manager alone.** Factors considered include tenure, business impact, and the reason for the request. There is no entitlement to unpaid leave and no standard outcome; each determination is made on the specific circumstances.

Questions

Direct PTO balance questions to the People Operations portal, which shows current accrual and usage. Direct policy interpretation questions to People Operations.
